4. Approval of Meeting Minutes (Discussion/Action)

- 12/30/2020

M/S by Phillips and Oswald to approve the agenda. Motion passed.

5. Nick McGrath – Community Disaster Recovery Coordinator (Iowa DNR & Trees Forever)

Nick McGrath, from a new joint IDNR and Trees Forever initiative, introduced himself and the program to replace tree cover following the August 2020 Derecho event.

6. Organizational

- Board Vacancy – At large term, through November 2022

Bailey updated the board that due to the untimely passing of Mark Kennett, there is a vacancy of the board's executive committee. Member organizations that have an interest in having their WMA representative serve in this capacity should contact Jody before mid-April.

7. National Disaster Resiliency – Iowa Watershed Approach Updates

Bailey provided updates on the NDR-IWA project. To date, 497 total structures have been fully designed. Structures include 17 ponds, 6 buffer strips, 378 WASCObS, 29 waterways, 16 storm water detention basins, 15 terraces, 14 wetlands, 12 grade stabilization structures, and 10 prairie plantings. The total construction estimates are \$4.2 million. Bid bundles 1-3 have been bidlet, and a 4th bid bundle is forthcoming this spring. A 5th and final bid bundle may happen this summer, depending on success of applications for FEMA funding to supplement around \$800k in shovel-ready projects we do not have enough IWA funds to construct.

A. IWA Budget Update

Bailey provided an update on the English River WMA's Iowa Watershed Project budget, through December 31, 2020.
